

Community Banks Supporting Financial Education

Please let us know how your community bank is supporting and advocating financial education in your community. The IBAT Education Foundation is beginning to compile a database of financial literacy projects and programs throughout the state of Texas as a valuable resource for community banks, legislators, teachers, etc.

We would love to know how your community bank is impacting your community!

Bank Name _____

Contact _____

Address _____

Phone _____

E-Mail _____

Brief Description of your projects/programs for financial education:

- Overview of project/program
- Who do you reach in your community with your project/program ?
- What age group(s) do you reach with your project/program?
- How many individuals benefit from this project/program each year?
- Is this an ongoing project?
- Is this employee or volunteer driven?

Please e-mail or fax this information to the IBAT Education Foundation
